Brushed Panel Horizontal Cable Manager *BRP Series*

The Brushed Rack Panel (BRP) reduces unwanted airflow inside a rack cabinet while allowing cables to pass through to the reverse side. The BRP includes a cable management tray that reduces cable fatigue and an area to secure cables.

Features:

- Constructed of 16-gauge steel.
- Reduces unwanted airflow inside a rack cabinet.
- Allows for cable pass-through.
- Improve the aesthetics of your installation.
- Available in 1U and 2U sizes.
- Includes cable management tray with hook and loop tie-offs.
- Designed to fit standard EIA 19 inch rack mount.
- Finished in smooth RAL9005 black powder coat.
 - Complies with the Greenguard guidelines for indoor air quality.
- TAA-compliant for GSA Schedule purchases.
- RoHS Compliant.
- Manufactured ;in North America.

Accessories

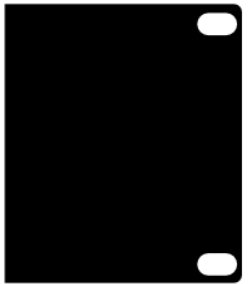

- Mounting Hardware
- Protective Grommet Strip
- Hook and Loop Roll

We are making changes to the design of this product.

We are enclosing the rack mounting holes and rounding all edges.

Old Design (Left) | New Design (Right)
