Door Lock Replacement Kit *DLRK Series*

Extend the life of your product by replacing or upgrading your lock. While we don't sell replacement keys, we do offer replacement lock sets. Each Door Lock Replacement Kit (DLRK) has been reviewed to ensure compatibility with your favourite Hammond rack cabinet.

Features

- Simple to install in the field.
- Interchangeable with existing lock.
- Latches each include two (2) keys.
- Great for DIY applications.
- RoHS and REACH compliant.
