### **GUELPH, ONTARIO – March 4, 2016**

To all employees and shareholders:

Fourth quarter sales weakened despite help from a stronger US dollar. We are feeling the softness of the US manufacturing sector and the decline in the oil markets.

Hammond Manufacturing Company Limited manufactures a broad range of products for the electronic and electrical products industry, including metallic and non-metallic enclosures, racks, small cases, outlet strips, surge suppressors and electronic transformers.
