GUELPH, ONTARIO – March 4, 2019

To all employees and shareholders:

Our new orders slowed over the last months of the year. Combined with year-end adjustments, our reported profits are lower.

Compared to 2017, our results for last year are good and send us into 2019 with a focus on the need for continual improvements.

Hammond Manufacturing Company Limited manufactures a broad range of products for the electronic and electrical products industry, including metallic and non-metallic enclosures, racks, small cases, outlet strips, surge suppressors and electronic transformers.
