

HPB- SERIES

BUL10426

REV. A

ASSEMBLY INSTRUCTIONS FOR HPB - SOLID PLINTH

EXPLODED VIEW - PLINTH AND HME FRAME BOTTOM

ASSEMBLY INSTRUCTIONS:

- A) Lift and support HME assembly.
- B) Place the plinth in the desired orientation, and lower HME assembly to within 1/4".
- C) Align cabinet to plinth by installing one screw and washer in each corner as shown above. Once aligned, lower HME assembly and tighten all screws.
