

EU Declaration of Conformity

This declaration of conformity is issued under the sole responsibility of the manufacturer, Hammond Manufacturing Co. Ltd., and hereby declares that the following products;

IEC Style Relocatable Power Taps (Rated 100-240Vac, 50/60Hz, 10A)

- 1581xyzz Series
- 1582xyE1BKzz Series
- 1583xyE1BKzz Series

Note: x = 'H' meaning on/off switch, or 'T' meaning no power switch (indicator light).
y = number of outlets (and can be 4 to 8).
zz = 'DP' meaning double pole on/off switch employed, or left blank.

are in conformity to the applicable requirements for the European Low Voltage Directive 2014/35/EU and European EMC Directive 2014/30/EU.

Conformity has been assessed according to applicable harmonized safety standard numbers;

- i. EN 62368-1:2020/A11:2020 and IEC 62368-1:2018.
- ii. EN 55032:2015+A11:2020 (CISPR 32:2015+A1:2019) and EN 55035:2017+A11:2020 (CISPR 35:2016)

with testing and reports respectively performed by national certification body TUV-SUD, and issued certificates;

- i. Certificate Z1 095913 0002 and Certificate DE 3 – ITAV1844, in reference to TUV-SUD report # 7169013669-000.
- ii. Report File # 7169006348E-100

Additional Declarations: RoHS2 Directive 2011/65/EU and RoHS3 Directive (EU)2015/863.
